Hello Community Partners,

Ella's Foundation is pleased to announce availability of beds at two beautiful locations. We have a 40 bed capacity with houses located in quiet residential communities within the city Los Angeles and are contracted Housing Provider under MHSA Housing and a contracted Housing Provider under the AB109 Realignment Program, we also service FSP, TAY and AB109 participants.

As supportive services are critical to ensuring that the residents we serve are not only able to move into permanent homes, but are able to maintain longevity in their homes. To assist with this, we offer the following in-house programs and services:
